Election Board Moving!

COLUMBIA, MD- The Howard County Board of Elections will be moving its office to 9770 Patuxent Woods Drive, Suite 200, Columbia, MD 21046. This new office space provides the Board of Elections with more office space and better parking for voters than their previous office. Also, effective immediately, the new mailing address for the office is PO Box 6800, Columbia, MD 21045-6800. (The office phone number, 410-313-5820, will remain the same.)

The physical move of the office will take place from Wednesday, June 23 through Friday, June 25, 2010. During this time, there may be limited phone service for voters seeking information from the office. If a voter cannot reach the office, they are asked to e-mail their questions to Betty Nordaas, the Director of the Board at bnordaas@howardcountymd.gov, or Guy Mickley, the Deputy Director of the Board, at gmickley@howardcountymd.gov.

The Howard County Board of Elections will be up and running in its new installation on Monday, June 28, 2010. Voters are asked to follow the office website, www.howardcountymd.gov/boe, for more information regarding the move, or for any other questions related to voting in Howard County.
