DISCUSSION:

- 1. Howard County BRAC Task Force:** In order to respond to the shifting BRAC environment, periodically we will be adjusting our Task Force structure. In the theme of "Silo Crunching," we are going to transform our Task Force into 2 modules; Family Support and Business Support. Our current committees will remain unchanged, but will be aligned with one of the two modules. This organization will allow us to more effectively address the dynamics driven by strong relationships between functional areas. The best example may be the relationship between work force development, transportation and housing. Much more to follow on this subject!
- 2. Defense Information Systems Agency BRAC Website:** This week DISA informed us of their new BRAC website. This is one great website! Take a look at www.disa.mil/brac.
- 3. DISA Career and Information Expo:** Do not forget that it will be held:

 - d. 1100 Old Elkridge Road, Linthicum, MD 21090
