

## HOWARD COUNTY BRAC TASK FORCE

### BRAC BIT #4

**DATE:** 8 August 2008

**SUBJECT:** Corps of Engineers Industry Day (PHILADELPHIA) for Aberdeen BRAC Work

**POINT OF CONTACT:** Kent Menser (410-313-6521)

### DISCUSSION:

1. **"Heads Up":** Paragraph two describes a Corps of Engineers' event in Philadelphia focused on Aberdeen Proving Ground BRAC. Paragraph three talks about a "meet and greet" focused on Fort Meade BRAC construction. BOTH EVENTS ARE ON 4 SEPTEMBER 2008. The purpose of BRAC BIT #4 is to prevent anyone from driving to Philadelphia to learn about Fort Meade!
2. **Aberdeen Construction:** "On September 4, 2008 you are invited to an Industry Day at the U.S. Army Corps of Engineers, Philadelphia District, Wanamaker Building Crystal Tea Room (9th Floor), 100 Penn Square East, Philadelphia, Pennsylvania from 9:00 a.m. to 3:00 p.m. This meeting encourages Small Business participation in projects for the construction of new/renovated buildings and site work related to Phase II of the C4ISR BRAC move to Aberdeen Proving Ground, MD. To familiarize industry with all aspects of Phase II, there will be a presentation of the requirements, and a question and answer period. The C4ISR Program Manager, Project Managers, Design Leads, and Contracting Officers will be available to discuss and/or answer questions related to the C4ISR Phase II Program; which will be issued through multiple solicitations available for download on the Federal Business Opportunity website at [www.fbo.gov](http://www.fbo.gov). Set-aside programs will be considered (i.e., Small Business, 8(a), Hub Zone, or Service Disabled Veteran-Owned Small Business) in accordance with FAR Part 19. Bonding will be required. Interested parties must complete a registration form and return by e-mail to [C4ISR@usace.army.mil](mailto:C4ISR@usace.army.mil) or fax to Denise De Titta at 215-656-6780."
3. **Fort Meade DISA Construction:** Mark your calendar. On the morning of 4 September 2008, the Hensel Phelps Construction Company will conduct a "meet and greet" session at the BWI Marriott. A detailed information flyer will be out very soon to all recipients (and others) of this message.
